

## RELEASE FORM

I, \_\_\_\_\_, understand that the massage therapy is intended to enhance relaxation, reduce pain caused by muscle tension, increase range of motion, improve circulation and offer a positive experience of touch. Any other intended purposes for massage therapy are specified below:

The general benefits of massage, possible massage contraindications and the treatment procedure have been explained to me. I understand that massage therapy is not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy.

I have informed the massage therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage therapist updated on any changes. I understand that there shall be no liability on the practitioner's part due to my forgetting to relay any pertinent information.

If I experience any pain or discomfort during the session, I will immediately communicate that to the therapist so the treatment can be adjusted.

I understand and agree to abide by the therapist's policies and will not hold Mind, Body and Soul, LLP or the therapist responsible for any personal injury or loss of property.
